# O-mg what's new in Android Security?

Scott Alexander-Bown

The image shows a video player interface. On the left, a presentation slide with a teal background displays the code `.lookupUri(..)` at the top. Below the code are two icons: a red document icon and a yellow fish icon. The slide also includes the Twitter handle `@ScottyAB` and the text "images from selfhosting.golang.com". On the right, a man in a grey t-shirt is speaking at a podium, gesturing towards the slide. The video player controls at the bottom show a play button, a progress bar at 39:19, the hashtag `#droidconUK`, and logos for "ORGANISED BY" skillsmatter, a gear icon, and vimeo.
